

QN-BOOKER-S-IA

Booker 1 Light Small Wall Lantern - Industrial Aluminium

Booker evokes the stately shape of antique lanterns, blending the texture of seeded glass with a softly luminous silver frame. Features like rounded trim, coordinating knobs, and a curved arm create ambience ideal for a home's exterior while tenacious, industrial-grade aluminum stands up to the elements. Use an Edison-style LED bulb to complete the look: a reverence for the past paired with completely modern functionality. IP44 rated.
