PRODUCT DETAILS

The Glaze collection is an ode to hand craftsmanship, inspired by beautiful glazed tableware and ceramics that reveal the hand of the maker. The Glaze Linear Pendant's super geometric blackened steel armature - elevated by textural knurled detailing - is paired with rounded ceramic shades in a unique ivory stained crackle glaze and soft frosted glass that casts a flattering glow. A showstopper designed to hold its own, the glaze pendant also offers endless installation possibilities when hung in multiples or with coordinating single glaze pendants for large spaces and public installations.
