

# CURREY & COMPANY | LILOU

Serenity has a profile in the Lilou Blue Table Lamp with its lovely vase-like profile. Made of porcelain, the blue surface has a luster to it for which this time-honored material is known. The depth of the blue is luscious even though it's cool. This is complemented by the metal hardware and base in an antique brass finish. A light element to the composition is the eggshell shantung drum shade, which is fastened in place with an antique brass finial. The Lilou is one of our most popular designs by Tom Caldwell.
