The Journey Green & Brass Cordless Table Lamp packs a fashionable punch for a portable design. The antique brass finish on the long thin stem and the cone-shaped shade brings it a subdued sophisticated gleam, while the green marble globe on the bottom anchors the piece. At just over 500mm tall, the gold lamp has an on and off button and a battery-life indication light that alerts when it is time to recharge on the side of the base. Available: September. COMING SOON
