Laguna 8 Light Pendant Light - Burnished Gold

Imagine a net gently breaking the surface, then slowly emerging with a cascade of water droplets trickling through and shimmering with light. Laguna designed by Lisa McDennon for Hinkley uses a hand-made open framework design in Brushed Gold as the foundation in this artistic interpretation. Clear glass droplets fall at varying lengths, casting the light. Minimal hanging wires ensure the net itself appears to float, as a candle cluster emits light from within.
