Lamartine 1 Lt Table Lamp - Antique Brass

With mid-century modern lines, the Lamartine Table Lamp has a poetic pattern that swirls along its surface. Made of glass in differing shades of green, the lamp was created in such a way that the pattern will vary slightly from piece to piece. Complemented with metal in an antique brass finish, the richness of the overall palette makes it a luminous accessory in a space. The green lamp is topped with a box-pleated drum shade.
