Maura 6 Lt Chandelier - Natural / Satin Black

The grasscloth cylinders that make up the Maura Natural Pendant bring an elevated design statement to the fabric shades on this tan pendant. The metal frame in a satin black finish is a contrasting element to the natural grasscloth shades, which are trimmed for a more sophisticated profile. Though on the surface this design is seriously simple; it is far from it, as the uniformity of the layered shades seen when looking up into the fixture is a precise effort that takes great skill.
