BOX WEIGHT	27.00 Kg

PRODUCT DETAILS

The equestrian-inspired shape of this lamp is more contemporary than cavalier, though it's just as mount worthy. A graphite ricestone composite is met with steel antique brass breaks that physically divide but visually unite the mixed-material foundation. Adds a modern luxe and organic touch to a space. Topped with a rectangular white linen drum shade with white cotton lining and a matching ricestone finial. Complete with a taupe cloth cord. Finish will vary.
