

# CURREY & COMPANY | SAISEI

Hiroshi Koshitaka envisioned the Saisei Medium Chandelier as one of a number of fixtures he sees as fulfilling the concept that encompasses the acts involved in regeneration and reproduction as we restore, revive, and experience regrowth and rebirth. Rattan flows artfully around a spiral wrought iron frame in a khaki finish, which is tonally in sync with the natural color of the material. The otherworldly shape of this rattan chandelier was inspired by outer space — galaxies in the universe come to light.
